

News & Announcements

Project Information
Prime Contractor: Baker's Construction Services, Inc.

- This project will widen Indian Ridge Road from Barton Street to North State of Franklin; the widening will begin at Barton Street and the existing 2 lanes over the CSX Railroad will become 5 lanes. Traffic on Indian Ridge Road will have 2 dedicated left turn lanes, 1 thru lane to Skyline Drive, and 1 dedicated right turn onto North State of Franklin.
 In addition, Skyline Drive will widen from 2 lanes to 4 lanes at the intersection of North State of Franklin; Skyline Drive traffic will have a dedicated right and left turn lane as well as a dedicated thru lane to Indian Ridge.
- Estimated Project Cost - \$5,170,625.27
- Completion Time – On or before 06/2018

News & Announcements

Skyline Drive

- The intersection of Skyline Drive and TN 381 is open with the following exception:
 - Southbound traffic is unable to make a left onto Skyline Drive due to the construction sequence of Retaining Wall A that is on-going
- The Detour off of TN 381 will remain in place due to this restriction.

- Southbound traffic is now being shifted; what was once the center turn lane is now a travel lane
USE EXTREME CAUTION....25MPH

WORK DONE THIS MONTH

- Indian Ridge:
 - Retaining Wall 6 is complete
 - Work to remove portions of the existing bridge have begun, this will have no impact on traffic
 - Retaining Wall 5 will begin very soon
- North State of Franklin (TN-381):
 - Retaining Wall A is currently in progress; it will start at the Exxon station and run to the existing bridge
- Skyline Drive:
 - All future lanes of Skyline Drive (4) are paved, however, only 2 will remain open until all paving work is complete and all traffic signal lights are fully functioning
- Greenway Trail:
 - 10' wide trail on the East side of TN 381 (Food City) is nearing completion; 1 panel of concrete is yet to be poured.
