

News & Announcements

Project Information
Prime Contractor: Baker's Construction Services, Inc.

- This project will widen Indian Ridge Road from Barton Street to North State of Franklin; the widening will begin at Barton Street and the existing 2 lanes over the CSX Railroad will become 5 lanes. Traffic on Indian Ridge Road will have 2 dedicated left turn lanes, 1 thru lane to Skyline Drive, and 1 dedicated right turn onto North State of Franklin.
 In addition, Skyline Drive will widen from 2 lanes to 4 lanes at the intersection of North State of Franklin; Skyline Drive traffic will have a dedicated right and left turn lane as well as a dedicated thru lane to Indian Ridge.
- Estimated Project Cost - \$5,170,625.27
- Completion Time – On or before 06/2018

News & Announcements

Skyline Drive

- **SKYLINE DRIVE IS OPEN TO TRAFFIC**
- **Skyline Drive is open but with limited access; the intersection of Skyline Drive and TN 381 is still closed and will remain closed until September**
- **Food City connector has full access to Skyline Drive**
- **The Detour off of TN 381 will remain in place due to the intersection remaining closed. The intersection will remain closed until two retaining walls on the North and South side of TN 381 are built.**

- **The detour route will be to use Indian Ridge Road to High Street**
