

## Recycling Drop-Off Locations

*The City of Johnson City's recycling five drop-off locations enhance the City's award-winning recycling program. Four sites are unmanned, available for a variety of items to be deposited 24 hours a day. The fifth and oldest site at 91 New St. offers extended services. Drop-off locations are available to City residents as well as our friends and neighbors in Washington County and surrounding areas.*

**3300 W. Market St.**

behind Sonic Drive-in

**91 New St.**

Solid Waste Services Complex (lighted)
